

## A Better Way to Manage Benefit Enrollment

SSI has partnered with Bentek to bring you a modern, accurate, and low-friction benefits administration experience.

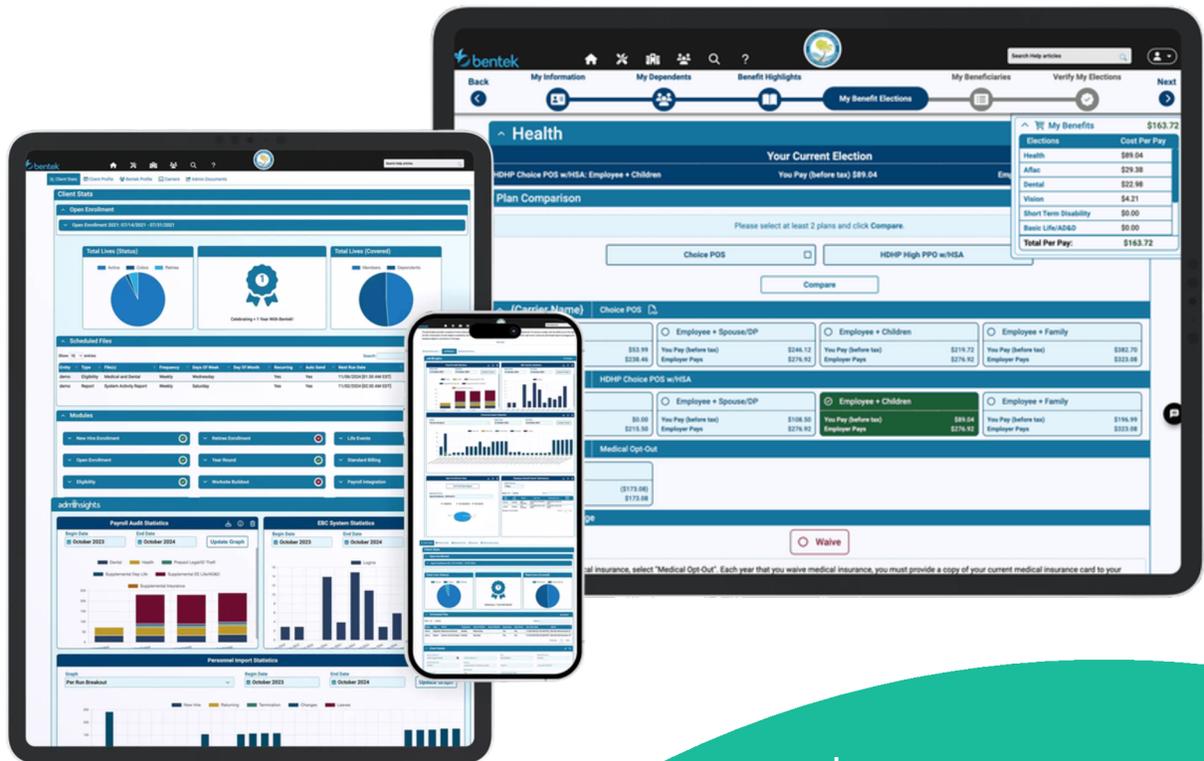

**Faster employee enrollment.** Guided workflows reduce confusion & ensure forms are completed correctly the first time.

**Less administrative burden.** Automation and clean data exchange dramatically reduce repetitive tasks.

**Local government alignment.** Both organizations understand your structure, expectations, and compliance needs.

**Consistency & accuracy.** Data moves between systems more cleanly, reducing back-and-forth corrections.

**Dedicated support.** Local government customers get responsive, human-centered service.
