HR & Employee Portal

Give employees the tools they need to self-serve

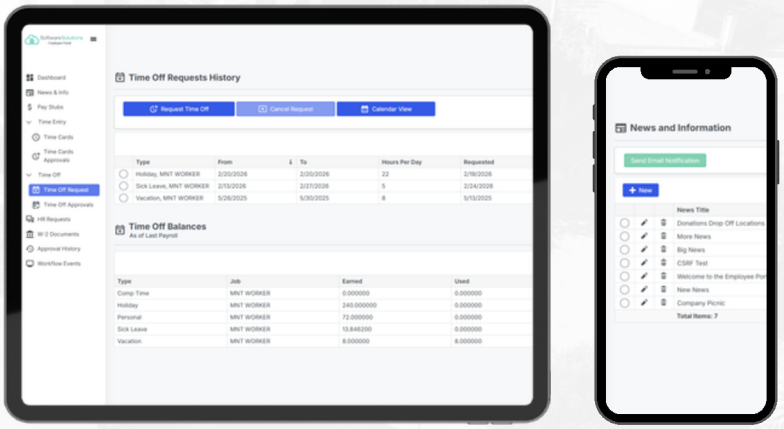
Learn more

VIP Employee Self-Service Portal

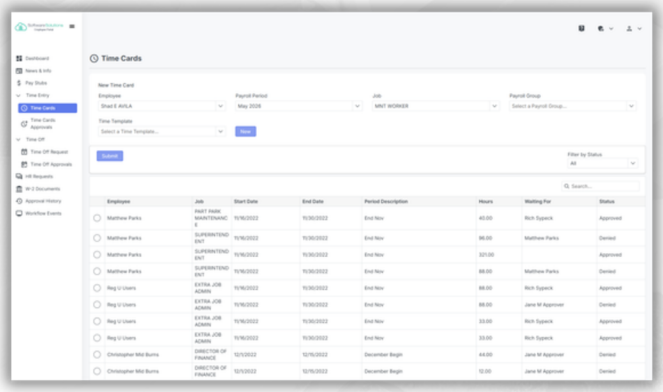
Access to employee information is not simple, secure, or easy. But it can be with our self-service portal.

With the VIP Employee Self-Service Portal, employees can:

- Access Accrual Information
- View and Download Paystubs & W2s
- Request Time Off
- Obtain News & Announcements
- Record Time Entry



You can make work life easier for employees, supervisors, and HR personnel to access and manage these important HR processes.



HR Automation

HR teams are often weighed down by time-consuming—but vital—activities.

We assist HR and Payroll departments by automating processes through employee self-service, so you can concentrate on the high-value strategic tasks you are passionate about.

We've spent years perfecting a comprehensive HR & Payroll system that meets the unique needs of the public sector.

Contact us today to find out how you can save time and money with the help of the Visual Intelligence Portfolio (VIP).
